

Good News! Increased Pack Outs Start January 1st 2017!

We at Shippers Products have increased our product pack out rates by an average of **11%*** in order to pass more savings on to you.

What does this mean?

-  More airbags in each box
-  Fit more on one truck
-  Lower delivered cost per unit
-  Reduced carbon footprint

How does this benefit me?

-  Reduces storage space cost/needs
-  Reduces freight costs
-  Helps meet green initiatives
-  Place less invoice orders
